The Spartans Really "Mugged 'Em!"

The Spartans celebrated Homecoming by defeating the Buscher Bruins 22-0. This maintained their undefeated status and put them solidly in the battle for the championship. Awalt went into the game as 7 point underdogs but quickly established their superiority with a three T.D. half-time lead.

Mark Christensen led the offense with a fine passing game hitting Bryan Robinson for one T.D. and Larry Miyahara to set up another. Jim DeBusk, an excellent defensive half-back, brought the crowd to its feet by scoring on a 50-yard run.

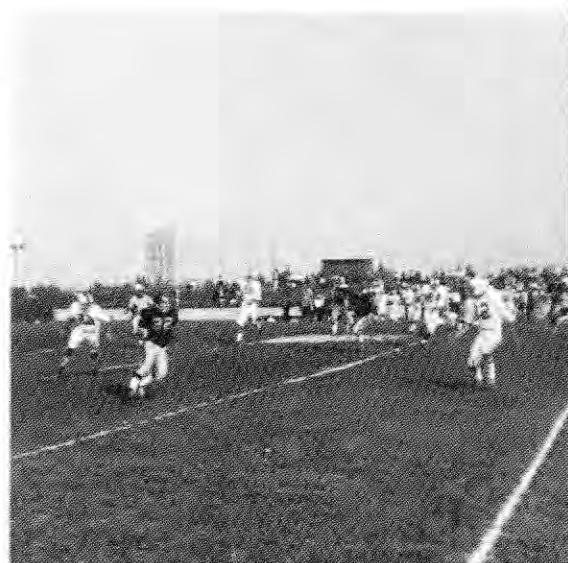

Bruised and Battered Bruins Had No Chance

The interior line including Rob Lowe, Jim Alexander, Phil Cook, Dennis McGinn, and Mark Blalock did an outstanding job of blocking for the Spartans.

Chip Christensen's usual fine job of punting and kicking of extra points helped Awalt maintain its control over the Bruins.

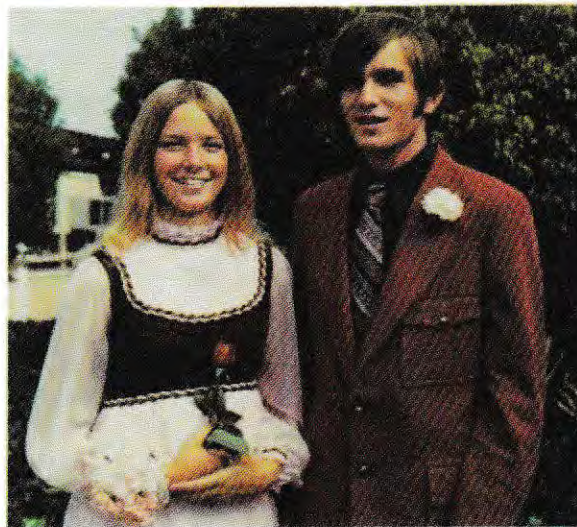

The defense was outstandingly led by Lynn Frates and Bob Roberts in the secondary. Linebackers Jeff Hawley and Jay Tyburzy punished the Buscher ballcarriers and the front line of Dan Dunn, Phil Cook and Randy Miller were in the Bruin backfield all afternoon. Also instrumented in the defensive effort were ends Mike Reed, Terry Martin and veteran guard Fred Pfandl.

Dear Mrs. Gabb:

It's not routine to know a lady that is as truly lovely as you are. By your contemporaries you are described as "perfect in every respect," "well-organized," "a delightful and eager person and very dedicated."

Our further research reveals that the knowledge and interest you bring to your work are incomparable. You are always punctual and when asked to do a job it is always done to perfection.

Despite being constantly interrupted by questions of students and faculty, you remain calm and helpful. Your positive attitude and kindness to everyone have endeared you to us all.

Mrs. Gabb, it is with deep appreciation, admiration, and respect for everything you have done for the students and Awalt, that we, the 1973 OLYMPIAD staff have dedicated our yearbook to you!

Please accept our heartfelt thanks and best wishes!

Sincerely,

1973 OLYMPIAD STAFF

What It's All About

In this past year, Awalt has achieved success in many new and old ways. We have embarked upon a new challenge. Like Johnathan Livingston Seagull we're having an extraordinary experience, we are being re-born and each new year at Awalt shows us growing a little more towards our final goals.

As freshmen, we're abit unsure and are quickly learning a new world. There are many things to adjust to and learn in this new world which we are soon to be engulfed in. This is a beginning of a new life. We're growing inside... new friends.

As sophomores, we're acquainted with the facilities, faculty and trying to set some "goals" to work for. There's time for fooling around and time for work... but where do we draw the line?

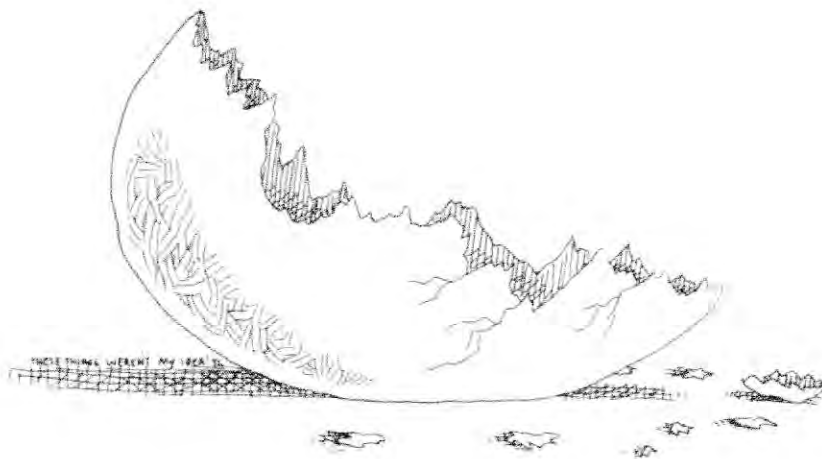

Junior year brings a realization. We're not only "upper classmen!" but time is going by quickly. What classes must I have to enter college? How many credits do I have? My friends are many and there are new ones each day. I feel as if I'm caught in time... never wishing it to begin. I must face my future... where am I going?

All too soon we're seniors. Our final year of high school. A time of last minute rushing. There are SAT's and ACT's to take. Colleges to apply to, lots of hard working hours and yet, there is always time for fun. Games, parties, skiing and dances. It's a time when we've grown and taken all we could have from school. We've studied for four years, experienced people and are ready to embark upon a new world... where once again, we'll be unsure, and try quickly to adjust.

Have we achieved what we set out to do this year? Have we found success? Think and remember. Have you laughed often and much? Have you left the world a bit better? Have you won the respect of others and earned the appreciation of honest critics?, teachers, and friends? Did you learn to appreciate beauty and to find the best in others? Do you know if one life has breathed easier because you have lived?

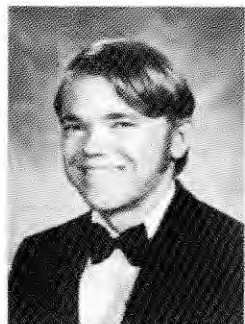

If you answer yes to these questions, then my friends, you truly have SUCCEEDED!!!

There Is a New World Coming,

TOMORROW!!

Boy's and Girl's State

Loretta Montoya

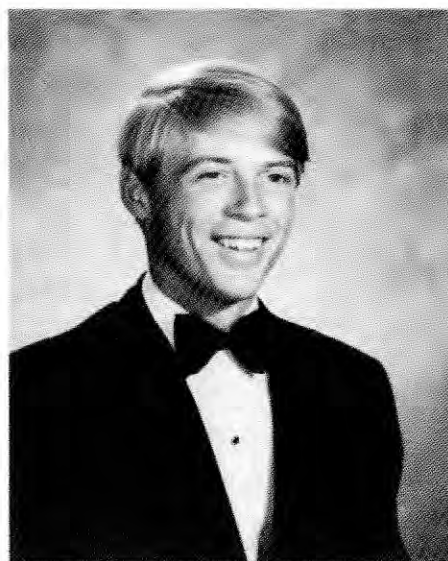

Last summer, during the week of June 28-July 5, I was privileged to be Awalt's representative to California Girl's State, sponsored by the American Legion Auxiliary. This was one of the finest experiences for me. Five hundred and eighty enthusiastic girls from all over California converged at Squaw Valley. But more important was the friendships I made there.

On the first day, we were placed into cities, counties and political parties. I was from Lassen in Bidwell County and was a member of the Whig Party. We formed a fictional state government and were given an insight as to how much work is put into our state government.

I would like to thank Awalt High School and the American Legion for giving me this opportunity, which was a rewarding and memorable experience.

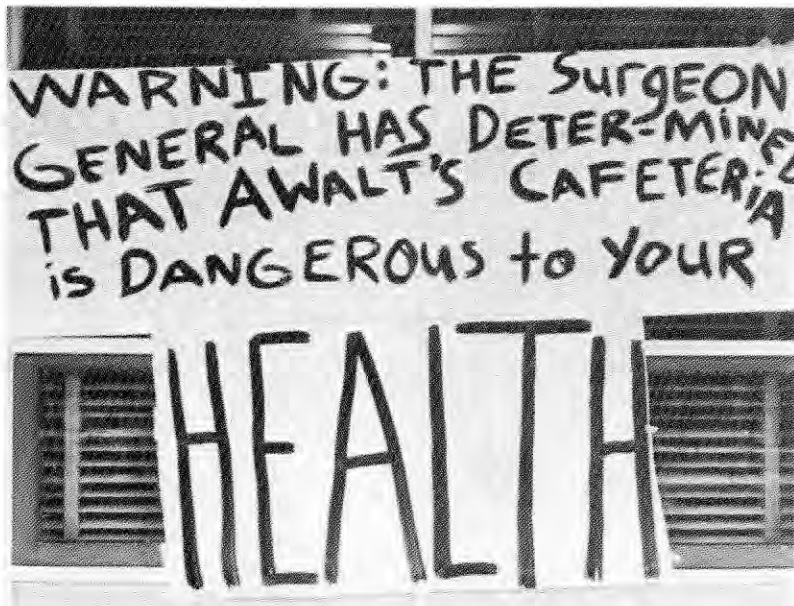

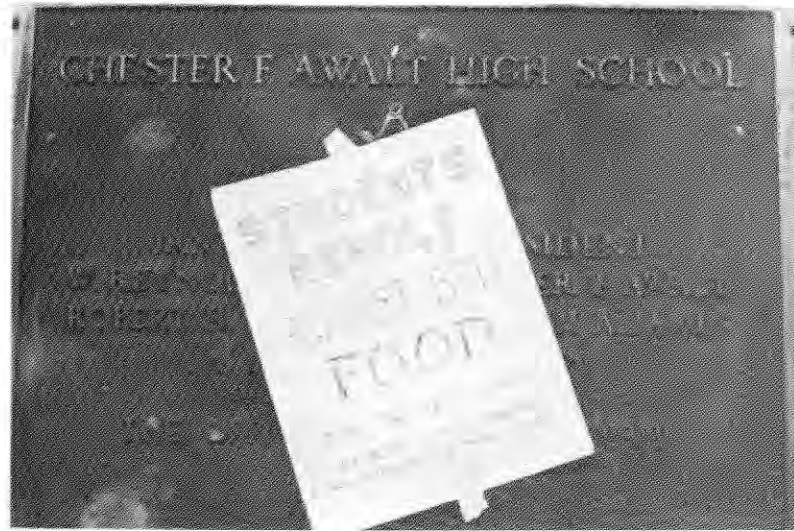

I was honored this past summer to attend the 1972 session of California Boys' State held in Sacramento. Boys' State is a course in practical civics, the purpose of which is to teach the youth of today the workings of the government under which we live. In this way Boys' State prepares the youth of today to become the intelligent citizens of tomorrow.

I learned many new things. I discovered that young men from all over the state can come together and together create a feeling of fellowship and understanding which they will carry with them the rest of their lives. Moreover, I discovered that the strength of a nation lies not alone in its army and navy, but also in the intelligence and character of its citizens. These two qualities make Boys' State so special. I came away with the assurance that America's future lies not in a gun, a bottle, or a rock, but in the hearts and minds of those young men who attended Boy's State. I wish to thank the American Legion and all of Awalt High School for providing me with such a wonderful experience.

The Awalt Junior Varsity Football team continued its winning tradition this year by posting a 7-0-2 record. It was Awalt's first undefeated season though the JV's placed second in league standings, losing first place by half a game.

The offense, coached by Art Mori, piled up an impressive 190 points with its biggest winning margin of 44 to 0 against Mtn. View.

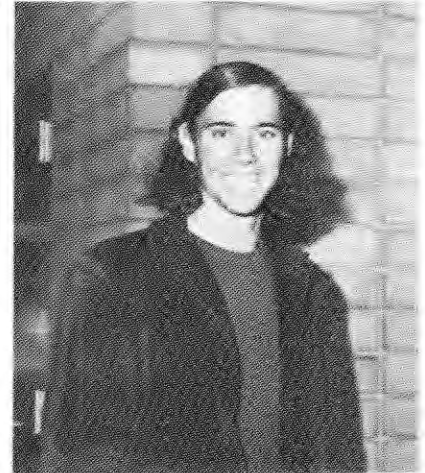

The defense, coached by Dennis Devine, held opponents to a total of 38 points all season, while shutting out five teams.

The success of the JV team was reflected in the all-league selections with a total of 7 players, taking all-league honors. Jeff Jasinsky took the highest award by being named the league's most valuable back. He scored 102 points while running for 904 yards and 15 touchdowns. Offensive all-league honors also went to Hal Trainer, guard and John Koukoutsakis at tackle. On defense Awalt placed four all-leaguers: Ken Stott at defensive back, Lou Clinton at line backer, Doug Schmitz at guard, and Marty Brazil at end. Bob DeBusk and Paul Forrester received honorable mention.

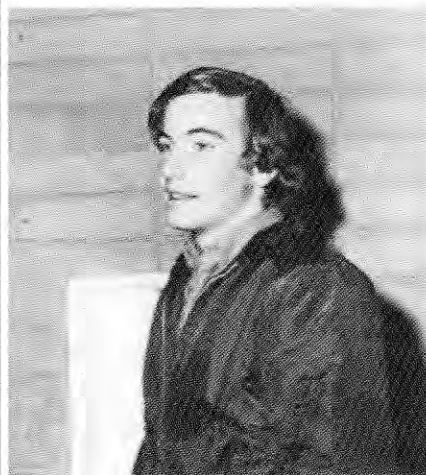

Captains this year were Kevin Ridley, Hal Trainer, Lou Clinton and Ken Stott.

Frosh Football With the Spirit of '76

Our freshmen boys really put up a good fight this year. The team, although hindered by injuries to their quarterbacks, played consistently very well. The defense was one of the best in the league with Chris Crider, all-league line backer helping a good deal. Other stand outs were Rudy Dumlaod, all-league half back, and Owen Halliday, all-league wide receiver.

This year's Awalt Varsity Water Polo Team had a fine season finishing with a 8-3 record. At the end of the season they stood in third place in the league which was really good because we participate in one of the toughest leagues in Northern California. Two of our losing games were to Buchser and Santa Clara who went on to place first and second not only in our league but in the Northern California Championships. The outstanding players who contributed to the team's 138 total points were Shawn Stanbury, Buff Greider, and Frank Forencich.

Frosh-Soph Water Polo

Although the Frosh-Soph water polo team did not have a winning record, its members gained valuable game experience which will help in the future. A hard fought double overtime loss to Mona Vista took some momentum out of the team after an opening 17-1 win over Sunnyvale. Jim Johnson and Dave Porter were the big offensive threats while Mike Levy and Dennis Swinyard guarded the goal with vigor.

This season Await really had a terrific Varsity Basketball team. For the first time in Spartan history our Basketball team made it all the way to the playoffs. Working themselves up there, the team won itself an 8-4 league record with quite a few close scoring, exciting games.

The loss of graduating Jim Frost (All-League) Rich Toschi (All-League), and Mike Jacobs will hurt next year's team as they contributed greatly to this year's success. Fortunately juniors Dave Kemp (Honorable Mention

All-League) Russ Satake, and Brian Robinson will be back and they will be the players to rely on next year for scoring and rebounding.

The 1973 Junior Varsity basketball team led by three all leaguers the likes of Kevin Callahan, Pete Biocini, and Mark Christianson paved the way for a third place finish in the National S.C.V.A.L. The team finished a winning season with a 13-10 won/loss record and an eight and four in league play. Coach Shimizu credits the entire team for a fine effort and looks for a balanced team next year. He will have help from the many sophomores on the team this year like Bob DeBusk, Steve Whitecar, Scott Grant, Rod Biocini, and Daryl Stolte.

This year's Varsity Wrestling team had an outstanding season with an overall record of 10 wins and 2 losses. Their fine league record, 5 wins and 1 loss, enabled them to place second in the league, losing only to Mt. View (the league champs) and beating every other team by at least 20 points. Coach Schiffman predicts the next two years will be great as the entire team is made up of sophomores and juniors with the exceptions of Jon Piche (120 lbs.) and Rich Fowler (145 lbs.)

"The team has no superstars but it works together to win," says Coach Schiffman. Returning next year from this year's Varsity are: Terry Fujimoto, Gary Koos, Doug Weller, Jim Spangler, Steve Reed, Rich Lopez, Jay Tyburczy, Ed Collins, Terry Martin, Pete Becker, Ralph Dragony, and Dennis McGinn. Next year the team will be looking for 95 lbs. and 103 lbs. wrestlers.

The J.V. overall record was 3 wins, 2 losses and 1 tie.

This year Ryall began an exchange program with Fort Wingate High School, a Navajo school in New Mexico. Ten students from each school were involved in the two-week exchange.
